

# A Year of Impact: Steer for Change Foundation

This year has been one of deep impact and renewed purpose for Steer for Change Mother and Newborn Foundation. Every life reached represents hope restored and futures protected. I am deeply grateful to our partners, donors, volunteers, and communities who make this work possible. Together, we remain committed to ensuring that no mother or newborn dies from preventable causes.

Kikelomo Adisa

Founder & Executive Director

# Empowering Mothers Through Outreach

## 8 Successful Outreaches

We conducted eight outreaches, directly impacting over 500 women and children.

## 100 Women Supported For End of Year Outreach

Provided essential items and foodstuffs to 100 women.

# Source of Funds

IHS Sponsorship

Primigravida Support

Community Funding

# Vital Medical Services Provided

## Hospital Partnerships

Partnered with Georges Hospital and Lagoon Hospital for free medical services.

Georges Hospital also donated baby cereals for our End-of-Year program.

# Ramadan Feeding Program & Recognition

1500

People Fed

Our annual Ramadan Feeding Program provided meals to 1,500 individuals.

—

Rotary Club Award

Honored with an award from the Rotary Club of Lagos for our contributions.

# Empowering Women Through Business

1

## Financial Support

One woman received financial support to launch her own business.

2

## Business Strengthening

Another woman's existing business was boosted with frozen chicken and fish supplies.

# Nutrition Intervention

## Outreaches

We held 2 Nutrition Intervention Outreaches

## Beneficiaries

2 babies and 1 mother

# DEBT

## Alleviating Medical Debt

### Hospital Bills Covered

We paid hospital bills for 12 women and 4 children.

### Comprehensive Support

Assistance covered both government and private hospital expenses.

# Kayplan: A Sustainable Social Enterprise

## New Baby Cereal Business

Launched Kayplan, our baby cereal business, as a major milestone this year.

This social enterprise will provide sustainable support for our nonprofit work.

We produced and fed children with 200 packs in our 1st year.

# We are NAFDAC Approved

Kayplan is now NAFDAC approved. This is a major milestone that allows us scale massively in the coming months and years.

# Expanding Our Reach: New Office & Team

01

---

## New Office Space

Secured a physical office in Ajah, with operations starting next January.

02

---

## Team Expansion

Planning to recruit two staff members (senior and junior) to support both Kayplan and Steer for Change.

Thank you!
